I. STIPULATION AND AGREED MOTION

Pursuant to the Court's order of March 8, 2010 (Dkt No. 154), the parties have revised the prior filed stipulation (Dkt. No. 153) to address the concerns of the Court. The parties now, in the interest of litigating this action and Doral Bank Puerto Rico v. Washington Mutual Asset Acceptance Corp., et al, Case No. 09-cv-01557(MJP) (the "Doral Action"), and pursuant to Local Rule 7(d)(1) and 10(g), jointly request the Court extend the deadlines for Defendants to respond to Lead Plaintiff's current Motion to Amend the Complaint (Dkt. No. 152) and for Lead Plaintiff to respond to Defendants' pending Motions to Dismiss (Dkt. Nos. 138, 144, and 146) and modify the scheduling order in this case as follows:

- (1) Plaintiff's current Motion to Amend the Complaint, noted for March 5, 2010 (Dkt. No. 152), is withdrawn without prejudice.
- (2) Any motion to consolidate this action with the Doral Action (the "Motion to Consolidate") will be filed the day after the Court rules on the Motions for Appointment of Lead Plaintiff in the Doral Action.
- Lead Plaintiff in this action will file a motion to amend the Consolidated Class (3) Action Complaint with the proposed amended complaint attached (the "Motion to Amend"), no later than fourteen (14) days after the Court rules on the Motion to Consolidate—Lead Plaintiff here will make every effort to facilitate the filing of the Motion to Amend and the proposed amended consolidated complaint sooner thaen the proposed deadline, but the collective Plaintiffs may require the full two weeks to work together to may be required for the parties to fully determine the scope of securities covered and the specific claims to be asserted in a consolidated complaint;
- (4) Within thirty (30) days after the Court rules on the Motion to Amend, either (a) if the Motion to Amend is granted, Defendants will answer or otherwise respond to the amended consolidated complaint and their pending Motions to Dismiss (Dkt. Nos. 138, 144, and 146) will be withdrawn as moot; or

27

- (b) if the Motion to Amend is denied, Lead Plaintiff in this action will respond to Defendants' pending Motions to Dismiss.
- (5) If the Court does not grant this joint motion, Plaintiff's current Motion to Amend the Complaint will be re-noted, and Defendants will respond to it in accordance with the Court's Local Rules. Similarly, the deadlines for Lead Plaintiff to respond to Defendants' current Motions to Dismiss are extended until the Court decides Plaintiff's current Motion to Amend. If the current Motion to Amend is denied, Plaintiff will file its responses to the current Motions to Dismiss within twenty one fourteen (1421 days) and Defendants will file replies within fourteen (14) days thereafter; if the Motion to Amend is granted the Court will set a schedule for Defendants to answer or brief motions to dismiss.

The Parties agree this request for extension is justified (1) in light of the upcoming March 18, 2010 hearing on appointment of a lead plaintiff in the *Doral Action* and the associated potential to avoid duplicate briefing; and, (2) as more fully addressed in Lead Plaintiffs' Motion to Amend, Lead Plaintiff's desire to move to amend the complaint in this action (with a proposed amended complaint attached) to reflect very recent, relevant court decisions that Lead Plaintiff believes are relevant to this case and thus such that amendment now may potentially avoid multiple, sequential motions to dismiss in this action.

Respectfully submitted this 94th day of March by:
